REYON S

Instructional Designer / Academic & Educational Counsellor

Sharjah, UAE • +971-528562924 • reyonasarudeen@gmail.com • linkedin.com/in/reyons3101

SUMMARY

Detail-oriented Instructional Designer with over 4.5 years of experience developing engaging e-learning modules, Virtual Instructor-Led Training (VILT) programs, learner-focused storyboards, and multimedia learning content. Experienced in creating clear, structured learning experiences for online learners, collaborating with SMEs and development teams, and supporting effective virtual learning delivery. Proficient in Articulate Storyline, Rise 360, Vyond, and LMS platforms, with strong communication, content development, and learner-engagement skills. Brings recent experience as an Academic Counsellor, applying the same learner-focused approach to guiding students and professionals toward accredited online and blended programs. Seeking an opportunity to contribute to a remote, learner-focused online education environment.

WORK EXPERIENCE

Academic Counsellor *Jun 2026 – Present*

Eagle Wings Education SHARJAH, U.A.E.

- Conducted one-on-one counselling sessions with students, parents, and working professionals to assess academic backgrounds, interests, and career goals, and recommend suitable degree and certification programs.
- Ensured all program and university recommendations complied with UAE regulations, guiding clients exclusively toward accredited, recognized institutions and authentic certifications.
- Advised working professionals on flexible online and blended learning pathways that accommodated their schedules while supporting long-term career advancement.
- Clarified admission criteria, program structures, and accreditation status to help clients make well-informed enrolment decisions.
- Managed the end-to-end enrolment journey, from initial inquiry through application submission, maintaining consistent follow-up and client support.
- Collaborated with partner universities and internal teams to stay current on program offerings, ensuring accurate and up-to-date guidance at all times.

Content Associate / Instructional Designer *Feb 2024 – Oct 2025*

First Source Solutions TAMIL NADU, INDIA

- Engineered self-paced e-learning modules and Virtual Instructor-Led Training (VILT) programs tailored to business and learner needs.
- Formulated detailed instructional storyboards through collaboration with Subject Matter Experts (SMEs).
- Produced learning content across audio, video, and text-based formats to enhance learner engagement.
- Scrutinized scripts, voice-over audio, and visual assets to guarantee instructional accuracy and quality standards.
- Developed courses utilizing Articulate Storyline, Rise 360, Vyond, and LMS platforms.
- Executed content editing, proofreading, and quality assurance processes.
- Supported structured online learning experiences designed for clear and engaging learner delivery.

Content Curator / Junior Instructional Designer / Soft Skills Trainer / Customer Success Associate *Jan 2021 – Feb 2024*

Larsen & Toubro (EduTech) TAMIL NADU, INDIA

- Curated and designed instructional content for self-paced and instructor-led learning programs, enhancing learner engagement.
- Crafted clear, learner-focused storyboards and directed development teams for seamless course execution.
- Produced, edited, and reviewed audio-visual learning materials and scripts to ensure clarity and impact.
- Delivered foundational soft skills and communication training aimed at higher education students.
- Handled learner inquiries, ensuring high levels of customer satisfaction and support.
- Facilitated end-to-end course delivery as part of customer success operations.

Internship – Blog Writer / App Description Writer *Oct 2020 – Dec 2020*

Marisomart Technologies TAMIL NADU, INDIA

- Composed SEO-optimized blog articles and app descriptions consistent with brand tone and messaging.
- Supported basic copywriting for digital marketing campaigns and maintained relevant content updates.
